

THE STORY OF US

*GOD'S STORY,
OUR STORY,
YOUR STORY!*

Dear Friend and Partner,

“The Story of Us” tells how the For All Mankind Movement has been drawn into God’s great story of redemption among all the people of the earth.

It has been said that all people have a story that dominates their lives. This story impacts how they see the world, others, and even themselves. But there is a problem: the stories we tell ourselves and live into are marked by brokenness. To fix this brokenness, the world needs a new story. It needs God’s story!

Here at FAMM, our goal is to bring God’s healing story to those who have never heard it. FAMM’s story is one marked by calling, passion, strategy, and sacrifice that comes from being captivated by God’s story to the point that we’re willing to do whatever it takes to be a part of it.

Our story must be a reflection of God’s heart for the nations. He must be our author. Over the years since starting this movement, I have always felt that my most important role was to ensure that FAMM is an effective expression of the Great Commission dedicated to reaching the unreached.

In these pages, we want to invite you into this narrative with us. You will learn about one disciple, Sunny Puneu, and how he was reached, equipped, and sent to his home country to make other disciples. Sunny’s story is a great example of what God has done in hundreds of thousands of lives through FAMM.

I hope you are inspired, moved, and captivated by God’s story being lived out through the stories of FAMM and of one of our chief leaders. It is my prayerful desire that you would find your place alongside us in God’s great story of redemption.

Your Partner for the Gospel,

Kevin Phillips
Founder and President

SUNNY PUNEU

Chapter 1: Reaching the Unreached

Sunny Puneu was a young labor worker in Dubai. Like so many other young men that come to work there, his idea of life in Dubai was shattered as soon as he arrived and the realities of a lonely life of a laborer set in.

In desperation, Sunny started looking for help and hope. He heard about the work of FAMM in the camps and came in contact with Kevin Phillips. Sunny was a man of peace, and it was not long before a Compassion Kit party and a story group started in his room.

In Sunny's story group, he and many other men became followers of Jesus. He was baptized in the Persian Gulf and began to be established in the faith as a disciple of Christ.

Sunny is **ONE** of **530,905** reached since FAMM began in 2009.

STORY GROUPS ARE OUTREACH GROUPS WHERE WE SHARE OUR LIVES, SHARE BIBLE STORIES & SHARE THE GOSPEL.

OUR MISSION TEAMS MAKE A HUGE IMPACT BY BEING THE HANDS & FEET OF JESUS!

24 Compassion Kits = 24 families touched by the love of Jesus

COMPASSION KITS ARE LOVING GIFTS GIVEN IN JESUS' NAME WITH THE COMPELLING MESSAGE OF THE GOSPEL.

NEW BELIEVERS MAKE A BIG SACRIFICE TO TAKE THIS STEP OF OBEDIENCE IN OUR HARVEST FIELDS.

FAMM has had over 46,770 people baptized in 9 years!

3 GENERATIONS OF
DISCIPLE-MAKERS

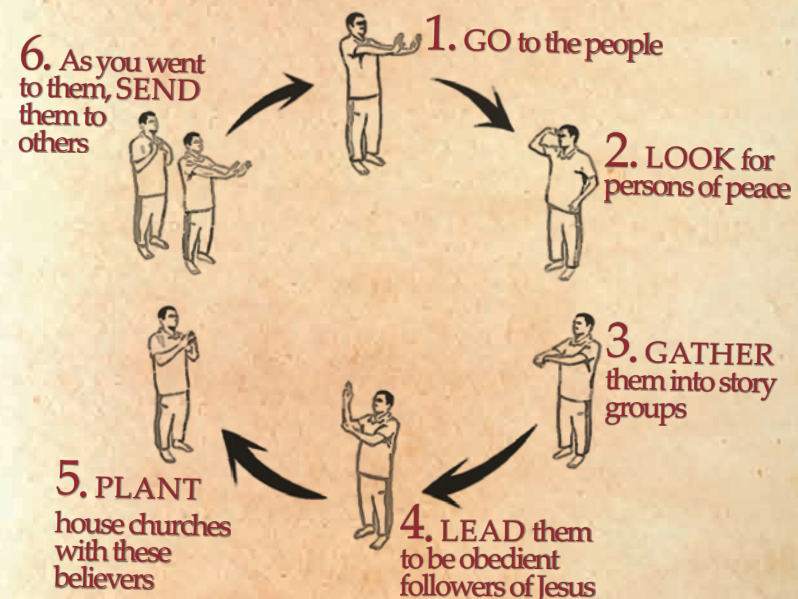

LEADING THEM TO BECOME
OBEDIENT FOLLOWERS
OF JESUS.

AS WE HAVE GONE TO THEM,
WE SEND THEM TO OTHERS!

Chapter 2: Equipping Disciple-makers

Once Sunny became a follower of Christ, he immediately started sharing his faith with others. He was trained in FAMM's disciple-to-disciple training process, "D2D." This training helped equip him as a true disciple-maker.

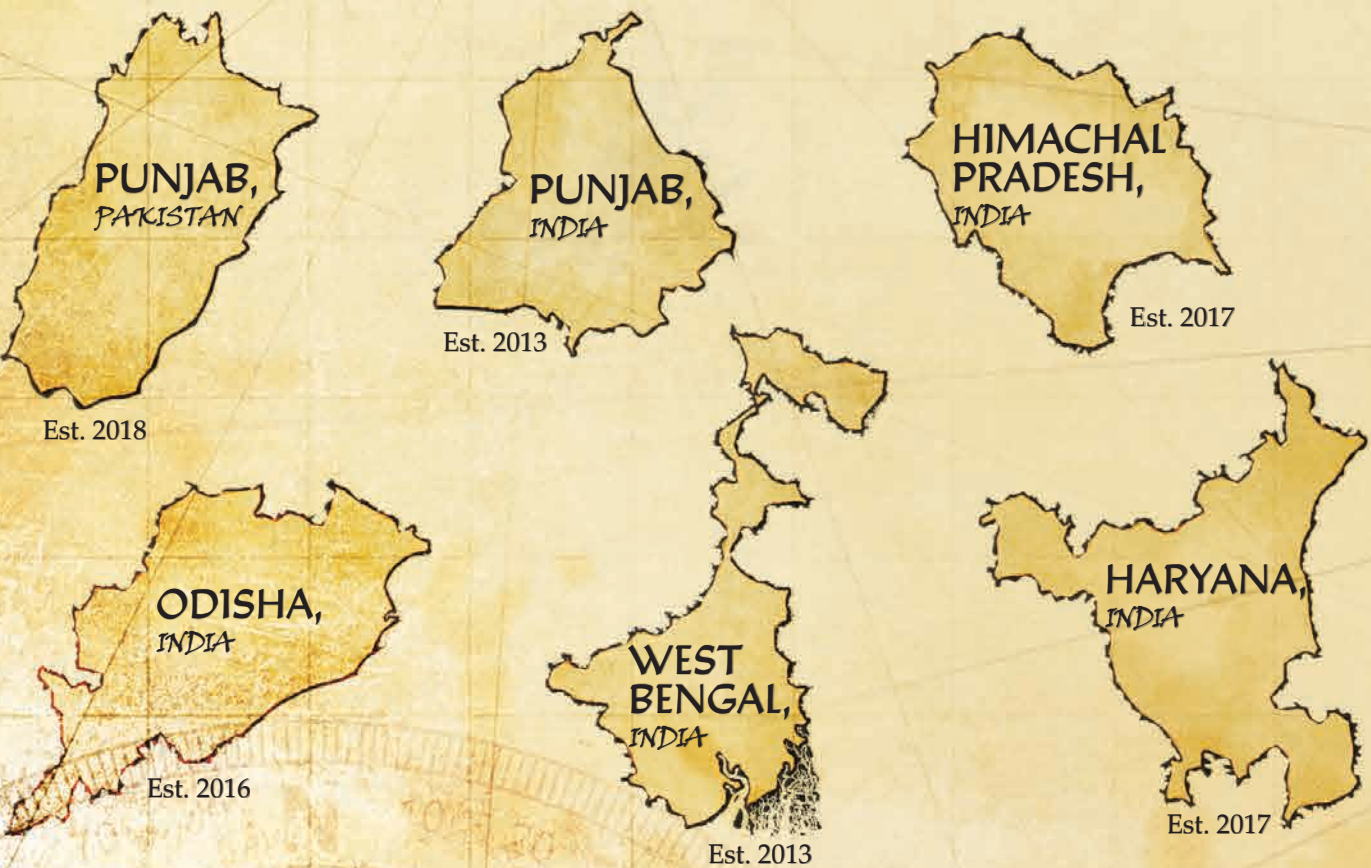

In the same way Sunny was equipped, FAMM has trained **36,717** other leaders since 2009.

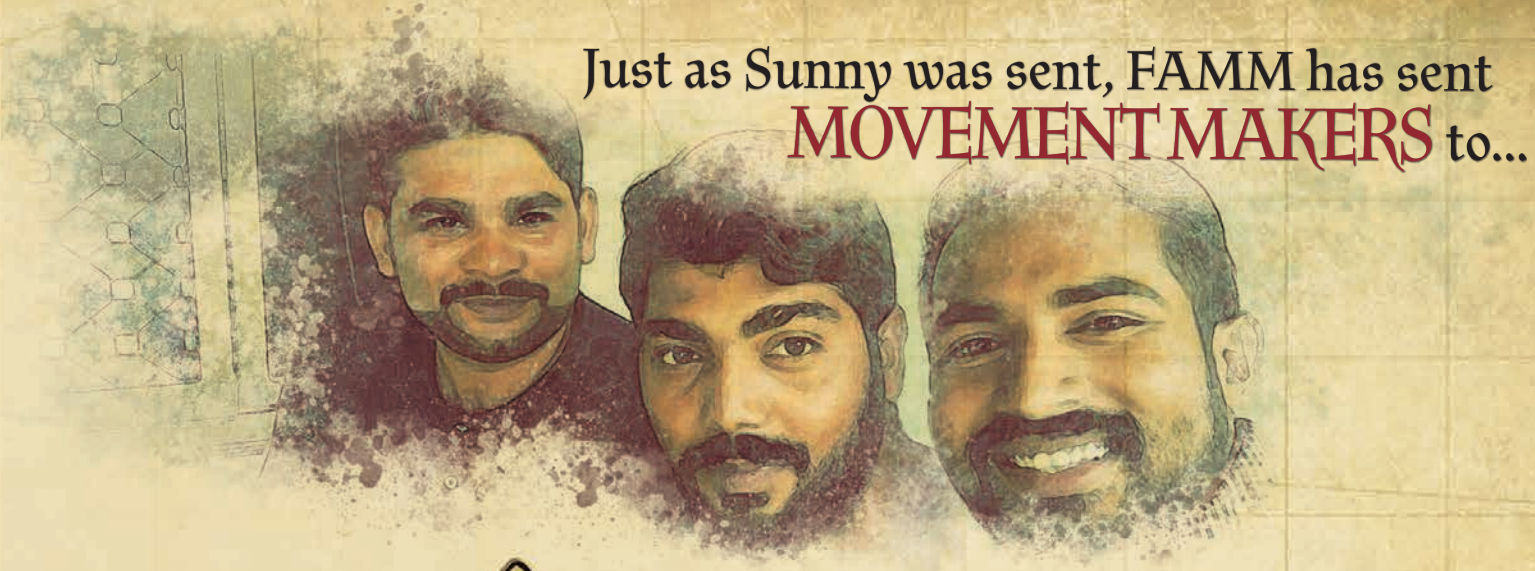

Chapter 3: Sending as Missionaries

After Sunny became a disciple-maker living in obedience to Christ, he caught a vision to begin a movement among his own people. Now, he has been sent back to his home country of Pakistan to initiate, nurture, and facilitate a disciple-making movement that results in biblical church planting.
